

ALLIANT 2 SMALL BUSINESS GWAC
Questions & Responses
Release #4

Thank you for your interest in Alliant 2 Small Business.

In addressing questions it is the Government's position that if the solicitation's position is self-evident, the response to a question may simply be that the solicitation already addresses the matter in the manner the Government intended for it to be addressed, or "The solicitation is clear".

While the Government may include one or more specific solicitation passages in a response to a question, interested parties are reminded that section L.3 of the solicitation states, "Offerors are instructed to read the entire solicitation document, including all attachments in Section J, prior to submitting questions and/or preparing an offer. Omission of any information from the proposal submission requirements may result in rejection of the offer."

Questions were not extensively edited for grammar, punctuation or spelling. Not every question is shown. Only those questions, or portions of questions, that were deemed frequently asked and/or those that were deemed to benefit the procurement process are shown.

Questions and responses are organized into topic areas shown below. Interested parties stand to benefit from reviewing all statements, questions, and responses.
